Attached is another cable from [] re George FROELICH. Indonesian desk running traces and will get together with us when they ready to prepare reply. Will include para indicating he possibly related to Sergie who former West German intell officer of continuing interest to KUBARK and West German services. More likely ~~####~~ that George is a nephew rather than brother in view ~~#####~~ span between birthdates (Sergei in 1904 and George ca. 1932), but certainly sounds like the same family. Cables don't give parents' names.
